THE LORD HAS RISEN AMONG US!

"We know that Christ, being raised from the dead, will never die again; death no longer has dominion over him."

Today our hearts are again filled with the joy of Easter. After the Lenten season, the time of penance and conversion, after the striking celebrations of the Holy Triduum, today we stand before Jesus' empty tomb and meditate with wonder and gratitude on the resurrection of the Lord. Life has conquered death! Mercy and love have conquered sin! The Lord has risen among us! This truth indelibly marked the lives of the apostles who, after the resurrection, again sensed the need to follow their teacher and, having received the Holy Spirit, set out fearlessly to proclaim to all what they had seen with their own eyes and personally experienced. Christ's resurrection is not an event of the past. It contains a vital power which has permeated this world. Where all seems to be dead, signs of the resurrection suddenly spring up. It springs to life and sooner or later produces fruit. We need faith and hope in order to open ourselves to this new and marvelous horizon. And we know that faith and hope are gifts from God, and we need to ask for them: "Lord, grant me faith, grant me hope! I need them so much!" Then with our attitude, with our witness, with our life, we can say: Jesus is risen!

What experience of new life do I most want to carry forward now that Lent has ended?
